C - Colours

Prefinished sheet steel is available in a wide range of colours, from the traditional standards to the leading edge of colour trends. These exciting colours will bring the building to life and harmonize with other building materials, neighbouring structures and surrounding landscape. Corporate colour may be used as part of the overall image.

For more information on the colours and paint finishes available in prefinished sheet steel, contact the Canadian Sheet Steel Building Institute (C.S.S.B.I.) or your local C.S.S.B.I. member.
